

Witness.

I was born to be a witness for Jesus Christ
Who is the begotten Son of God the most high
He came to die for our sins on the cross
So that you and I may have eternal life.

I was born to fight against Satan and his followers
They are VC who killed millions of my brothers
They took the wrong path and rejected Jesus Christ
VC should denounce Satan and love their brothers.

I was born to make this world a better place to live
To tell my people to get rid of VC
Communism is the source of all evils
That's the right path to save our country.

God wants me to tell everybody the TRUTH
The truth that Satan is our foe
He is the prince of evil and darkness
Day and night he is there to go after you.

Life is short and fragile
Follow Jesus you may save your soul
Repent immediately and start your new life
For one day you and I will be gone.
